RUINS OF OLD STONE CHURCH

The ruins of what was once the most magnificent of all the Mission Churches in California, dates to 1812 when the Church was destroyed by an earthquake. It was started in 1797 and completed in 1806.

Have been in L.A. 7½ Weeks due to serious heart attack of Bill's wife. Will return to apartment 5935 Rhode Island Ave, Apt 2 - Cincinnati Ohio 45237 on Sept 8th. While here my Mother died - so in 10 months I've lost both my husband & Mother and almost dear Sherry! Love Shad
